THE AUTOMATIC REGISTRATION PROCESS MAY BE DONE ENTIRELY IN THE BACKGROUND AND NO SCREENS OR OTHER DATA IS DISPLAYED ON YOUR COMPUTER SCREEN DURING THE REGISTRATION PROCESS. ONLY INFORMATION CONCERNING THE IDENTITY OF THE USER AND THE SOFTWARE INSTALLED AND ITS SPECIFICS IS COLLECTED THROUGH THE REGISTRATION PROCESS AND THE CONFIDENTIALITY AND PERMITTED USE OF THAT INFORMATION IS GOVERNED BY NO MAGIC'S PRIVACY POLICY, AS AMENDED FROM TIME TO TIME.

IMPORTANT! THIS AGREEMENT IS A CONTRACT. NO MAGIC IS WILLING TO LICENSE THE SOFTWARE TO YOU AS AN INDIVIDUAL, THE COMPANY, OR THE LEGAL ENTITY THAT WILL BE UTILIZING THE SOFTWARE (REFERENCED BELOW AS "YOU" OR "YOUR") ONLY ON THE CONDITION THAT YOU ACCEPT ALL OF THE TERMS OF THIS END-USER LICENSE AGREEMENT ("AGREEMENT"). READ THE TERMS AND CONDITIONS OF THIS AGREEMENT CAREFULLY BEFORE USING THE SOFTWARE. THIS IS A LEGAL AND ENFORCEABLE CONTRACT BETWEEN YOU AND NO MAGIC. BY CLICKING ON THE "AGREE" OR "YES" BUTTON OR OTHERWISE INDICATING ASSENT ELECTRONICALLY, OR LOADING OR INSTALLING ALL OR ANY PART OF THE SOFTWARE, YOU AGREE TO THE TERMS AND CONDITION OF THIS AGREEMENT. 1. License. The MagicDraw UML computer program in the edition provided, the related applications and plug-ins, including, without limitation, MagicDraw Open Application Program Interface, MagicDraw File Converter and MagicDraw Resource Editor and documentation that accompanies this license (collectively, the "Software") is the proprietary property of No Magic or its licensors and is protected by the copyright law of the United States and other countries and by international treaty provisions. While No Magic continues to own the Software, upon Your acceptance of this license, You will have a personal, non-transferable, non-exclusive license to use, in machine-readable, object code format only, the quantity of the Software for which You have paid the applicable license fee. This Agreement governs any releases, revisions, or enhancements to the Software that No Magic may furnish or make available to You. The limits provided for in this Agreement shall apply to use of the Software or any portion thereof. You MAY NOT USE, COPY, MODIFY, OR TRANSFER THE SOFTWARE, IN WHOLE OR IN PART, EXCEPT AS MAY BE SPECIFICALLY AUTHORIZED IN THIS AGREEMENT.

2. Permitted Use. The license granted under this Agreement permits You to do only each of the following, and all other rights are expressly reserved by No Magic:

(a) Use the Software only in the manner described in the Software documentation and only on computers which have the minimum system requirements described in the Software documentation;
(b) Install and use the Software only in a manner authorized by the type of license and edition of the Software for which You have paid the applicable license fee to No Magic, as further described in Section 4;

(c) Create no more than one copy of the Software in machine-readable form for backup purposes only, provided that You must include No Magic's copyright and other proprietary notices on such copy;

(d) Utilize the Software documentation only in conjunction with the use of the Software;

(e) Utilize the functionality of the Software with other applications or augment the functionality of the Software solely for Your licensed use through the MagicDraw UML Open Application Program Interface; and

(f) Utilize the functionality of the Software with other applications through the MagicDraw UML Open Application Program Interface to create plug-ins for use by You and permitted users in conjunction with licensed use of the Software.

3. Prohibited Acts. Any use of the Software, except as specifically authorized herein, is prohibited. By way of illustration and not of limitation, You may not:

(a) transfer, sublicense, network, loan, lend, distribute, rent, modify, translate, disassemble, decompile, reverse engineer, translate the Software into another computer language, otherwise reduce the Software to human perceivable form, create derivative works based upon the Software other than as otherwise provided herein, or copy or use the Software and/or the Software documentation in violation of this Agreement.

(b) run multiple instances of the Software;

(c) install the Software on a server and deploy the Software for use over a network, except as may be specifically authorized below where You have purchased a Floating License or Teamwork Server License; provided, however:

(i) the Software may be deployed so that program files are backed up over a network only for archival purposes;

(ii) the initial installation of the Software as well as installation of subsequent versions, replacement copies, re-installations and updates of the Software may be performed over a network (such installations are at times referred to as "silent installs");

(d) Use a previous version or copy of the Software after You have received or been provided access to an upgraded version; or

(e) Use the Software in any manner not authorized by this Agreement.

4. Scope of License. The rights granted above and the rights described in this Section are conditioned upon You paying the license fee (if one is required) which establishes Your rights under this Agreement.
as to a specific license type described in this Section. If no license type is specified at the time of license, only a Single User Single Installation License is granted. If You are a legal entity other than an individual, then You shall designate one (1) or more individuals, as applicable based upon Your license type, within Your organization and provide such designation to No Magic and only those designated individuals shall have the right to use the Software. Except as specifically set forth below, all of the conditions, limitations, and restrictions set forth elsewhere in this Agreement are applicable to each license type. Not every license type is available for every edition of the Software. The types of licenses and their particular associated rights and limitations are:

(a) Single User Single Installation License. For each copy of the Software that You have licensed from No Magic, You may only install that copy of the Software on one (1) central processing unit ("CPU") controlled by You for use by a single user. For purposes of this Agreement, the fact that multiple processors are installed on a single chassis shall be disregarded.

(b) Single User Multiple Installation License. For each copy of the Software that You have licensed from No Magic, You may install that copy of the Software on multiple CPUs owned and/or controlled by You for use by a single user.

(c) Mobile User License. For each copy of the Software You have licensed from No Magic, You may only install and use that copy of the Software:

(i) On one (1) CPU controlled by You and located at Your place of business or employment and which CPU is assigned to You;

(ii) On one (1) CPU located at Your personal residence; and

(iii) On one (1) CPU in a portable computer (e.g. a laptop computer) which is used by You.

PROVIDED, HOWEVER, that the Software may only be used by You and no other person at the foregoing locations and PROVIDED FURTHER, HOWEVER, that at no time may the Software be running simultaneously at more than one (1) of the foregoing locations. Over installations of the software per the license purchased will not be tolerated. No Magic has the right to invoice and bill for each over installation and will invoice at full price for each copy of the over installed software. By clicking on the "AGREE" or "YES" button or by otherwise indicating acceptance of this End-User License Agreement you agree to be billed for each over installed software. No Magic electronically registers each installation of software on a per license purchased basis. Pre-installation support is available via email at support@magicdraw.com to assist customers with questions or installation issues.

(d) Floating License. For each copy of the Software You have licensed from No Magic, You may only install and use that copy of the server software part of the Software on one (1) CPU controlled by You and You may install the client part of the Software on multiple CPUs controlled by You; PROVIDED, HOWEVER, You may not have more simultaneous users using the client part of the Software than the maximum number of copies of the edition of the Software for which You have purchased as license.
(e) Teamwork Server License. For each copy of the Software You have licensed from No Magic, You may only install and use that copy of the teamwork server Software on one (1) CPU controlled by You. Further, You may not have more persons connecting to and using the teamwork server concurrently than the number of users authorized by No Magic at the time of the purchase of the license to the Software.

(f) Demonstration and Evaluation License.

(i) Demonstration and evaluation editions of the Software are subject to time and functionality limitations established by No Magic from time to time. Demonstration and evaluation editions may only be used by You for learning more about the Software for purposes of making an informed buying decision and not for any other business or commercial uses. You agree not to circumvent or attempt to circumvent the restrictions placed upon demonstration or evaluation editions by No Magic.

(ii) Notwithstanding the foregoing, No Magic may, in its sole and absolute discretion, provide a time delimitated evaluation copy to You in those instances where the Software is sold or delivered to You and payment of the license fee is not received contemporaneously by No Magic. You may use the time delimitated copy of the Software for business and commercial or academic uses during the time delimitated period. If payment of the license fee is not received within the time delimitated period, the Software will time out and cease to function, and You will be unable to access the Software or any of the files or other data created with the Software prior to the end of the time delimitated period. Upon No Magic's receipt of the license fee, No Magic will provide You with an installation key which removes the time delimitated feature of the Software. Upon expiration of the time delimitated period and until No Magic receives the license fee and issues an installation key to You, You agree not to use the Software. You further agree not to circumvent or attempt to circumvent the restrictions placed upon demonstration or evaluation editions by No Magic.

(g) Academic Institution License. This type of license is only available to bona fide schools of education and institutions of higher learning. The Software may only be installed on CPUs owned or controlled by the academic institution and located at the academic institution's premises. Academic editions shall not be used for any business or commercial purposes. For purposes of this paragraph G, "business or commercial purposes" shall mean all activities other than providing training and instruction to students and preparation by faculty and teachers for purposes of providing training and instruction. "Business or commercial purposes" shall include, but is not limited to, use of the Software for development of programs and applications for use by the academic institution internally. Furthermore, any documents produced by the Software shall contain as a legend, watermark or other depiction the following statement: "For Academic Use Only-All Commercial Uses Are Prohibited" or similar statement. In addition to the foregoing, any license of an Academic Edition or an Academic Edition Site License which is granted by Licensor gratuitously shall be for a term which shall run through December 31st of the year following the year in which the license under this Agreement was first granted, and may be automatically extended for additional one (1) year periods, so long as the academic institution is in full compliance with the terms of this Agreement and this Agreement has not been otherwise terminated. Further, any license of an Academic Edition or an Academic Edition Site License which is granted by No
Magic gratuitously, may be terminated by No Magic for any reason or for no reason at the end of any yearly term upon thirty (30) days' written notice to the academic institution.

(h) Site Licenses. A Site License enables copies of certain editions of the Software to be installed and used (subject to the limitations and restrictions for such edition herein set forth) on Site Licensed CPUs located at the User Site (as defined below) specified at the time of the license grant. If no separate Site License Agreement is executed in writing by the parties and no User Site is specified at the time of the license grant, then no site license is granted. A "Site Licensed CPU" means every CPU owned or under Your control and located at the User Site, the location of which is specified at the time of the license grant and on which a copy of the appropriate license type/edition of the Software is installed and registered with No Magic through its Internet-based automatic registration system. For an academic institution, a "Site Licensed CPU" is every CPU owned or under the control of the academic institution, its faculty members, or students and located either at the User Site or at the personal residence of the faculty member or student or other place where a computer belonging to or under the control of the faculty member or student is located, and on which a copy of the appropriate edition of the Software is installed and registered with No Magic through its Internet-based automatic registration system. A "User Site" means one (1) of Your places of business that You identify and which is expressly accepted by No Magic in a separate written document executed by an authorized representative of No Magic or, if You are an academic institution, then one (1) of Your campuses identified by You and which is expressly accepted by No Magic in a separate written document executed by an authorized representative of No Magic.

5. Limited Functionality; Ancillary Programs. The following editions of the Software and ancillary computer programs comprising the Software are subject to the terms and conditions of this Agreement, including, without limitation, the license type specific conditions and limitations set forth in the preceding Section:

(a) File Converter. You may use the MagicDraw File Converter to convert MagicDraw files from the .mdf format and translate them into xmi format.

(b) Resource Editor. You may use the MagicDraw Resource Editor to customize MagicDraw program commands and to translate MagicDraw program commands from one spoken language to another.

(c) MagicDraw Reader Edition. The MagicDraw Reader Edition will only enable You to open, view and print MagicDraw and imported files (.mdf, xml and .xml.zip). You will not be able to modify, translate, save or otherwise manipulate the data contained in MagicDraw files.

6. No Support or Maintenance. No Magic is not obligated to provide any maintenance or support services for the Software or any upgrades or enhancements under this Agreement. You may purchase from No Magic maintenance and support pursuant to the terms, conditions, and pricing of No Magic's maintenance and support agreement as in effect on the date of Your purchase. Any Upgrades, enhancements, or supplements provided to You as part of the support services or otherwise, shall become a part of the Software and subject to the terms and conditions of this Agreement. With respect to technical information You provide to No Magic as part of the support services, No Magic may use
such information for its business purposes, including for product support and development. No Magic will not utilize such technical information in a form that personally identifies You.

7. Termination. Subject to earlier termination as dictated by Your license type, this Agreement shall terminate immediately and automatically (without notice from No Magic and without refund) upon Your breach of any term contained herein. Upon termination of this Agreement, You agree to cease use of the Software and to either destroy or return to No Magic the Software, Software diskettes and other media, the Software documentation, and all copies thereof and to certify the foregoing in writing to No Magic. You may terminate Your rights granted by this Agreement at any time (without refund) in the manner set forth in the immediately preceding sentence. In the event of termination, all provisions of this Agreement will survive except those pertaining to license grant.

8. Disclaimer of Warranties. The Software is provided "AS IS" and "WITH ALL FAULTS" without a warranty of any kind. ANY WRITTEN OR ORAL INFORMATION OR ADVICE GIVEN BY NO MAGIC, ITS SHAREHOLDERS, DIRECTORS, OFFICERS, EMPLOYEES, RESELLERS, AGENTS, OR SUPPLIERS WILL IN NO WAY INCREASE THE SCOPE OF LIABILITY OR CREATE A WARRANTY, NOR MAY YOU RELY UPON ANY SUCH WRITTEN OR ORAL COMMUNICATION. ALL EXPRESS WARRANTIES UNLESS SPECIFICALLY STATED HEREIN AND ALL IMPLIED WARRANTIES ON THE SOFTWARE, MEDIA, AND DOCUMENTATION INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, ACCURACY, PERFORMANCE AND FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT, AND NON-INTERFERENCE WITH ENJOYMENT OF THE SOFTWARE ARE DISCLAIMED. NO MAGIC DOES NOT WARRANT THAT THE SOFTWARE WILL MEET YOUR REQUIREMENTS OR THAT OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR THAT THE SOFTWARE WILL BE ERROR-FREE.

9. Disclaimer of Damages. SOME STATES AND COUNTRIES DO NOT ALLOW THE LIMITATION OR EXCLUSION OF LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES SO THE FOLLOWING LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW AND REGARDLESS OF WHETHER ANY REMEDY SET FORTH HEREIN FAILS OF ITS ESSENTIAL PURPOSE, IN NO EVENT WILL NO MAGIC BE LIABLE TO YOU FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR SIMILAR DAMAGES, INCLUDING, WITHOUT LIMITATION, ANY LOST PROFITS, DAMAGES FROM BUSINESS INTERRUPTION, LOST DATA ARISING OUT OF THE USE OR INABILITY TO USE THE SOFTWARE EVEN IF NO MAGIC HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO CASE SHALL NO MAGIC'S LIABILITY EXCEED THE PURCHASE PRICE FOR THE SOFTWARE. The disclaimers and limitations set forth above will apply regardless of whether You accept the Software.

10. Government Restricted Rights. If the Software is acquired under the terms of a GSA contract, use, reproduction or disclosure is subject to the restrictions set forth in the applicable ADP Schedule contract. The Software, including technical data, may be subject to U.S. export control laws, including the U.S. Export Administration Act and its associated regulations, and may be subject to export or import regulations in the United States and other countries. You agree to comply strictly with all such regulations and acknowledge that it is Your responsibility to obtain any and all licenses, approvals, and consents necessary to export, re-export, or import the Software. The Software may not be downloaded, or otherwise exported or re-exported (i) into, or to a national or resident of, Cuba, Iran, North Korea, Libya, Sudan, Syria or any country to which the U.S. has embargoed goods; (ii) to anyone on the U.S. Treasury Department's list of Specially Designated Nations or the U.S. Commerce Department's Table of Denial Orders, or (iii) to any entity on the "Denied Parties List" and other lists promulgated by various agencies of the United States Federal Government.

12. Irreparable Harm. You acknowledge that money damages may not be an adequate remedy for Your breach of this Agreement and that any such breach may leave No Magic without an adequate remedy at law. You therefore agree that, in addition to any other remedies available at law, in equity or under this Agreement, No Magic shall be entitled to obtain temporary, preliminary and permanent injunctive relief, without bond, from a court of competent jurisdiction to restrain any such breach.

13. You agree, upon written request by NO MAGIC which shall occur no more frequent then twice annually, to certify in writing that your use of the software is in compliance with the terms of this Agreement.

Any disputes or claims under this Agreement or its breach shall be submitted to and resolved exclusively by binding arbitration conducted in accordance with American Arbitration Association rules. One arbitrator appointed under such rules shall conduct

Notwithstanding the above, No Magic may sue in any federal or state court in Collin County, Texas or
other court of competent jurisdiction for injunctive relief to restrain any breach of this Agreement.
